

## Metro Vancouver Area Meetings

### The SA Purpose

Sexaholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover. The only requirement for membership is a desire to stop lusting and become sexually sober. There are no dues or fees for SA membership; we are self-supporting through our own contributions. SA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sexually sober and help others to achieve sexual sobriety (Sexaholics Anonymous, p. 4).

### What is Sexual Sobriety?

In defining sobriety, we do not speak for those outside of Sexaholics Anonymous. Sexual sobriety for sexaholics of our type means no sex with ourselves and no sex with any partner other than the spouse. In SA's sobriety definition, the term "spouse" refers to one's partner in a marriage between a man and a woman. Sexual sobriety also means progressive freedom from the many forms of sexual thinking and stimulation and lust that enter our lives. This freedom is found by remaining sober and by using our Twelve Steps and Twelve Traditions in our daily lives. (SA To the Newcomer).

### A Caution

We suggest that newcomers to Sexaholics Anonymous *not* reveal their sexual past to a spouse or family member who does not already know of it, without careful consideration and a period of sexual sobriety, and even then, only after prior discussion with an SA sponsor or group.
